

Week 4—March 23:

Collect the Second Set of trading Cards (50 points each)

We have created several trading cards (to be released throughout the month) that highlight our various mission partners. You can find them in the Worship Lounge and in other places at the church. You'll notice a code on the bottom of each card. Each card is worth points, however, if you collect each set of 4, you'll earn bonus points. Collect them all and you'll earn the trading card badge (more bonus points). There are two sets out (a total of 8 different cards).
